

THE CRUCIBLE PROJECT™

feel the heat. face the fire. find the gold.

**How do you know when you are truly a man?
Do you ever wonder if you have what it takes?
What is still missing in your life after all these years?**

Get answers to these and other core questions you may be asking yourself at a Crucible Men's Weekend. Step into the adventure, danger and mystery of what it means to be a man - surrounded by a community of men "on the journey". Are you up for the challenge of a radically authentic growth experience - thirsty for God's grace and truth at deeper levels? Come and examine the issues you wrestle with as a man. Move toward a new dimension of integrity, aliveness, courage and love. Unblock what keeps you from fulfilling your God-given purpose. Like Jesus, find out how you can leave a legacy that impacts the world (1 Corinthians 16:13-14).

THREE PURPOSES OF THE WEEKEND

1. This retreat will help you cut through the pretense and masks you wear that keep you from the freedom that is your birthright in Christ. Throughout the Bible, God **tested and challenged** men. We believe men still need to be tested and challenged if they are to become all God designed them to be. You will have the opportunity to look at what's working - and not working - in your life, and identify who and what you are running from. You will be invited to face the things you don't want to face about yourself so you can truly be free.

2. Like Jacob in Genesis 32, you will also have an experience of **wrestling with God** so that you discover your wounds as a man and experience His healing grace at a core level of your heart and soul. We live in a fallen, broken world and all of us as men have been wounded. Our wounds, if not healed cause massive damage to our souls and those around us. God's grace is the medicine that heals our wounds and frees us to be the men He wants us to be. God breaks us in order to heal and bless us. You, like Jacob, will have an ordeal - an opportunity to wrestle with God and get a new name, a new identity.

3. Finally, this weekend will help you **recover your masculine soul**. It's a good thing to be a man. God meant for men to live with purpose, passion and power. Jesus is looking to make you into a man who lives in truth and integrity with others. A man who is fully alive and engaged in life. A man who knows he has what it takes, who courageously faces his fears and helps build God's Kingdom of blessing. Do you want to be this kind of man? Are you ready to live up to your full God-given potential? The world is waiting. The time is NOW!
